

KARTING BALACLAVAS

SMS-TIMING

More than meets the eye...

Balaclavas are much more than a headsock pilots put on their head, they are a perfect tool for:

Marketing: balaclavas with your logo on them will increase customer loyalty

Sales: you can earn an interesting profit on every balaclava you sell

Ecology: no more throw-away Polypropylene head socks, which are hard to recycle

TECHNICAL SPECIFICATIONS

Fabric is 100% Cotton

In addition to economical profit, you will make an ecological one. Throw-away head socks are made in Polypropylene which is hard to recycle. The kart balaclavas that we supply are 100% Cotton made.

Any logo or name can be printed on the balaclavas.

Stretchable sizes.

3 colors: red, blue and black.
